

Alma **TEED**™

HAIR RESTORATION

HAVE YOU MET TED?

What is Alma TED?

Alma TED provides a solution to those suffering from hair loss or hair thinning.

The Alma TED is an Ultrasound-based treatment and when paired with our TED+ Hair Care Formula, it conjunctively supports optimal hair and scalp health and follicular strength.

WHAT SHOULD I EXPECT?

The Alma TED is a quick, 20-25 minute treatment. During your consultation, your practitioner will assess you to personalize the best treatment.

You'll notice improvements as early as one month following your first treatment, additional treatments may be recommended for optimal results.

IS THE TREATMENT PAINFUL?

Simply, No!

Patients report a warm sensation from the device and a ringing sound throughout the course of the treatment.

**NO PAIN.
NO TRAMA.
NO SHEDDING.**
